

*With our eyes we see the beauty and colours...
 With our ears we hear the sounds of spring...
 With our hands we pick the fragrant flowers...
 But only with our hearts we feel
 The wonder and the love of the season...!
 Spring bursts today, for Christ is risen...!
 ...and all the earth is at play...!*

*Jesus said, "I came that they may have life... have it abundantly"
 Truth may be buried in the tomb,
 but truth will triumph... The empty tomb is the sign that truth can't be buried forever...*

It's more...

*His tomb is empty
 that your life
 can be full...
 Well, that's
 the meaning of his
 saying*

"I came that they may have life in abundance..."

Easter brings that life in its fullness and abundance...!
