*"This is what the Pasch of the Lord accomplishes: it motivates us to move forward, to leave behind our sense of defeat, to roll away the stone of the tombs in which we often imprison our hope, and to look with confidence to the future, for Christ is risen and has changed the direction of history. Yet to do this, the*

*Pasch of the Lord takes us back to the grace of our own past; it brings us back to Galilee, where our love story with Jesus began, where the first call took place. In other words, it asks us to relive that moment, that situation, that experience in which we met the Lord, experienced his love and received a radiantly new way of seeing ourselves, the world around us and the mystery of life itself." Pope Francis*

**POPE'S HEALTH:** "Our prayers for our Pope are important because he is the successor of St Peter. In an unbroken succession, we can trace back his apostolic authority, back to the Apostle Peter and to Christ, who commissioned Peter, just as he commissions each pope... Our Holy Father is an important link for us in faith. He represents the Lord for us, and he is a source of our unity. He is, as it were, a global father to the Church – not just a Holy Father, but a global father. He's the Father of all peoples. In a particular way, he's the father of every Catholic." (Archbp. John Wilson)
