DAY FOR LIFE – JUNE 18, 2023: The Church teaches that life is to be nurtured from conception to natural death. In England and Wales, Day for Life is celebrated on the third Sunday of June each year. This year it falls on 18 June. For the first time, it will be celebrated in Scotland and Ireland on the same day. The theme is 'Listen to Her' and focuses on post-abortion trauma and the impact of abortion primarily on women, but also men and others. Each year a message is released, usually by the Church's Lead Bishop for Life Issues, offering a reflection on the year's theme. The 2023 message is unique in that the bishops' have given it over to a Catholic woman who has had an abortion to share her experiences. Often the voices of women who have had an abortion are silent in Church and in society. The hope is that this will help break this silence and offer further opportunities for healing and reconciliation.

DAY FOR LIFE – MESSAGE: This year's 'Day for Life' message is written by a woman in the hope that it can offer opportunities for healing and reconciliation. **Bishops' Introduction:** Voices of women who have had an abortion are often silent in Church and in society. This year's message for Day for Life is written by a woman and hopes to break this silence and offer opportunities for hope, healing and reconciliation. (Complete message is available on our website.)

Jane's Story: I went to Catholic schools, I knew about God and morality on some level, but for me, the culture spoke louder when it came to making decisions around sexuality. When I was 15, I discovered I was pregnant and the fear clouded everything. I had one aim, and that was to solve the problem I had found myself in. A quick search for confidential help landed me at a clinic connected to an abortion provider. They seemed to genuinely believe that abortion was the solution to my problem and I don't remember discussing any other options. I was relieved when they determined that I was capable enough to make this decision alone, without the involvement of an adult, which is still legal to this day. **"By hearing other people share their stories and being gently encouraged by the team, I was able to speak the truth of what had happened to me on that day. My feelings were acknowledged, including my sense of loss."** Jane

PRAYER FOR DAY FOR LIFE: Prayer to St Joseph: Patron of the Unborn & Defender of Life:
O St. Joseph, after your most holy spouse, our Blessed Mother, you were the first to take into your arms and heart the baby Jesus. From the first time you gazed upon him and held him, your heart and soul were forever bonded to him. You caressed the Holy Child with fatherly love and affection, and you committed yourself always to love, protect, and care for this Son. Look now with similar love and affection upon this child of mine, who has gone from this world. I place my child, as well as my grief and guilt, into the eternal embrace of your arms. Hold and caress my child for me with the love of my arms and sweetly kiss my child with all the tender affection of my heart. As God the Father entrusted the care of His most precious Son into your most loving and confident hands, so too do I entrust into your fatherly care this child of mine. Please present him to the merciful hands of Our Lord, so that one day, when I too leave this world, my child may greet me into eternal life.

CONGRATULATIONS to NEIL & PRAYERS: We have been praying for Baby Neil. God in his tender love has responded to all prayers and Neil is back home and happy. His postponed Baptism will be on Wednesday. On this occasion the Marriage Convalidation Ceremony for his parents Mudit & Clio will take place too. Please do keep the family in your valuable prayers.

JUBILEE YEAR 2025: 2025 will be a Jubilee Year. As part of the preparation for the Jubilee, Pope Francis has invited the Church to reflect on the Constitutions of the Second Vatican Council in 2023 and for 2024 to be a Year of Prayer.
