

*With our eyes we see the
beauty and colours...
With our ears we hear
the sounds of spring...
With our hands we pick
the fragrant flowers...*

*But only with our hearts we feel
The wonder and the love of the season...!
Spring bursts today, for Christ is risen...!
...and all the earth is at play...!*

*Jesus said,
“I came that they may have life...
have it abundantly”
Truth may be buried in the tomb,
but truth will triumph...
The empty tomb is the sign
that truth can't be buried forever...*

It's more...

*His tomb is empty
that your life can be full...
Well, that's the meaning
of his saying
“I came that they may have life
in abundance...”
Easter brings that life
in its fullness and abundance...!*

May your Easter be joyful...!

Happy Easter...!
